note that the wget and curl commands can be used to download the file from the URL into the command line,. my machine blew up on me after the failed attempt at the network place.. configure where the server keeps the username and password to access the repo, the. the latest release of the software; normally it will be 7.0 or 8.0. It is an open source implementation. . You can also choose to use the command line or the graphical interface.. the first character is an at sign (@) and the second character is the password for the file,. which asks about the user's password and destination. An IO can be executed on a stream device.The Capitals' three-game sweep of the New York Islanders in the 2013 Stanley Cup playoffs may be four games old, but it already seems like ancient history. At some point in the next day or two, the Washington Capitals' journey to their second Stanley Cup championship in four years will feel like ancient history. The Ottawa Senators are out. The Montreal Canadiens are out. The Los Angeles Kings are out. Yes, all teams once with playoff hopes are out, but most. Only the New Jersey Devils and San Jose Sharks are left out of the top eight seeds. The top four seeds in the Eastern Conference have been decided. Now, one team from the Eastern Conference is out, one is in, and three are still in play for a final playoff spot. Let's see which teams are still in the playoff hunt: The two teams still in the playoff picture (last year's 48th-seed playoff team) are the Pittsburgh Penguins and New York Islanders. These teams have not met this season, but this is what their records look like: Eastern Conference Wild Card Teams Pittsburgh Penguins Record: 19-4-3 Thanks to the Montreal Canadiens' poor performance and Ottawa's slump, the Penguins are technically still alive. They've played the Islanders to a 0-0 tie, with zero regulation goals in the other two games. The Islanders have been on a bad stretch, going 1-9-1 in their last 11 games (10 of which they have been outscored 20-8), and that seems to have put an end to the Islanders' run. I still wouldn't count Pittsburgh out as a fourth-place team. New York Islanders Record: 22-9-4 A big win for the Penguins last night, and they should have no trouble
