Step into the shoes of King, ruler of the kingdom in a war, and defeat the enemy's hordes. In a real-time strategy, you must build your own army, establish your own strategies, and show your opponent how much of an overlord you're. You will meet different challenges and you will feel the need to strengthen your troops. You will come across many different units in your quest to attain victory. Think it over - you are the strategic brain. To defeat the armies of the enemy, you must outwit the enemies. The play is very simple. The touch of the game is divided into: - Construction phase: build your own units. - Actions: to win battles. - Exit: make the exit and return to the setup menu. If you press the "RUN" button, your armies will march forth on the lands of a new enemy. The battle will go on. You will be fighting a battle - you will be using the troops to collect the gold you need to purchase units to use them to conquer new areas. And the sky is the limit. You are one of many commanders of the kingdom who fight for their native lands. You are a knight and you stand in battle for your native land, and against evil. As a leader, you will be able to take over cities and fortifications. Your king's city will be under siege. The palace itself is also under attack. You have a hand of cards. It will contain all the units you currently have. You will use it to create new ones. You will plan your strategy and figure out how to build units. If you do not have enough gold, you will have to borrow it. You will have to build new castles and cities. You can tap the screen for a more detailed look. The left and right keys of the device will allow you to move. It will be under your command. Where to Put the Units? Players can move all units on the field to the battlefield. When you come across the battle of the moment, you can set all units out of the battlefield. You can keep the units in the field or move them on the field. You can also save time. When you tap the screen, the units will be mobilized. You will use it to build units. When you move a unit, you can move it to the battlefield. You can also re-position your units in

Arid Fortress is an online multiplayer game, by the makers of Rumble Tanks, and Thunder Tanks. Shoot and survive by yourself or with your friends in free-for-all multiplayer matches against the AIs. Bots: Each faction has 2 bots. Both have 3 weapons, 1 rocket launcher, and 1 weapon of their type. After a match has ended the winning faction gets the bots of the losing faction. Players: Your score is stored in the game's server. The server holds an average of 1000 players. That means that once a match has started, the server has allocated 1000 players. When new players join, the server will balance the faction's score. That means that once a match has started, the server will balance the faction's score. Score System: Every kill is a point. You'll get more as you're playing more, and when people are playing. Getting 10 kills in a row will net you a score of 12 kills, and nothing else. Getting 50 kills in a row will net you a score of 100 kills. You can only choose one weapon per match. Every player can choose the same weapon or a different one. You have 3 lives, so you won't die. Weapon System: The core game mechanics are derived from Rumble Tanks and Thunder Tanks. All weapons are unlocked in the game. The stats are calculated based on the number of kills the weapon has. Full game FREE! "Camp Sunshine" is a touching story about a child with a serious health condition called leukaemia who is camped away from the world in summer. Being there, removed from the problems of everyday life, he is able to find peace within himself for the first time in his life. He learns to live in the present, to laugh and enjoy himself, to do things that he wouldn't normally be able to do. The story is told in visuals and through his comments to his counselor as well as his inner thoughts. The soundtrack is dedicated to the game. And if you like it, you might also enjoy another soundtrack we created for a short film called "HOMEGROWN MUSIC" - available on Spotify, iTunes and Google Play.. 01. camp.shine.song.intro 02. camp.shine.dreams 03. camp.shine.counselor 04. camp.shine.guitar 05. camp.shine.outro.0 06. camp.shine.outro.1 07. camp.shine.outro.2 08. camp.shine.outro.3 09. camp.shine.outro.4 10. camp.shine.outro.5 11. camp.shine.outro.6 12. camp.shine.outro.7 13. camp.shine.outro.8 14. camp.shine.outro.9 15. camp.shine.outro.10 16. camp.shine.outro.11 17. camp.shine.outro.12 18. camp.shine.outro.13 19. camp.shine.outro.14 20. camp.shine.outro.15 21. camp.shine.outro.16 22. camp.shine.outro.17 23. camp.shine.outro.18 24. camp.shine.outro.19 25. camp.shine.outro.20 26. camp.shine.outro.21 27. camp.shine.outro.22 28. camp.shine.outro.23 29. camp.shine.outro.24 30. camp.shine.outro.25 31. camp.shine.outro.26 32. camp.shine.outro.27 33.

What's new:

Season Pass Redemption Rules EPIC is currently only offering the first storyline and online functionality for all players. You can only use EPIC 5 Hours per day, and per week, depending on which season pass package you choose. All parts and will be

released on the exact same timeline - all season pass package is one player experience and there are no additional perks to "add" after this release date. The rules for Season Pass requirement are as follows: The first purchased season pass will get the earliest release date for all online functionality and all game features for all players. Once this first season pass is done, additional season passes will come out with the same release dates, but depending on which parts of the game you already purchased. If you purchase more than one season pass, you will receive access to: **Contact Management Provides** immediate and easy access to all playable characters with the same ability to customize their name, gender, bio, and appearance. Includes a unique tag of your chosen character that you can have emblazoned on your character belt, foot, clothing or other items. **In-Game Order** It includes the ability to manage all playable characters and items in-game - this includes the ability to send items to other characters, place items on friends' characters, and unlock ownerships of friends' items, etc. **Marketing & Media** Allows you to manage your Facebook and Twitter accounts right from the game with easy-to-use and streamlined interface. **Social Club** Works in conjunction with the Order and Contact tabs by giving you the ability to review your characters' page information and manage your own Facebook and Twitter accounts using the same streamlined interface. Additional information can be found here. There is no advantage to purchasing multiple season passes - once your first season pass is purchased you will have access to everything that is released in any future season pass package - and the same timelines for all features. To be eligible for Season Pass rebate, you must fulfill the requirements listed below: **The Season Pass must be purchased before October 31, 2015** Players must survive at least once during a time where you're being attacked by an enemy! **Individual Freelancer Season Pass** Each individual player will only get Freelancer pass when you finish the entire standard campaign, which is the **Ultimate Warrior Freelancer** campaign. If a player chooses to finish any other campaigns,
