Microsoft Office Pro with the right to fix... Download as PDF .About Gregg Walsh creates hand-drawn illustrations that work their way into the unconscious. His surreal, thoughtful drawings have appeared in books including Dear Heart, Dear Heart: A Memoir, and then again in a larger format in Just Look At It. Gregg's work is as complex as it is beautiful. Drawn and

coloured, his work blurs the line between illustration and fine art, making its impact on viewers as powerful as it is revealing. Growing up in a home full of picture books, the idea of setting words inside pictures was a natural progression. One day, while flipping through magazines, he fell upon the first real art he ever saw, a children's book illustration that changed his life. He was immediately compelled to take on the task of making it himself. After years of drawing and studying illustration at university, he found his calling in the form of design. He joined the creative team for the well-known fashion brand, Peter Millar, where 6d1f23a050
