
Download Trivial Pursuit Digital Choice Desktop Application !!TOP!!

I purchased Trivial Pursuit - Digital Choice Edition from my local store for . to download or create your own questions. Windows only (oops). I downloaded the game (downloading it from <http://digitalchoice.de/>) and installed it (I installed it without any installation path restrictions). I then downloaded all the required files to my Applications folder. I added the program (Trivial Pursuit) to C:\Program Files\Electronic Arts\Epic Games\Trivial Pursuit (it was a folder). I selected the game and then selected New Game. When I selected "New Game", I selected the "Create Your Own Questions" option. Then another option appeared, I clicked on it.
