October 28, 2016 - Zombies rise again at the dawn of the Apocalypse! In this add-on to the popular Zombie Exodus, you can relive the early days of ... zombie society. The events of the new addition unfold in Washington - a city that is still under the control of federal employees, and in which there is no place for panic. As night falls, the reanimated corpses flood the streets of the city and rush to the Capitol - the only place where the survivors can still hide. Under siege, the survivors of Washington DC are desperate to survive. But not everything is so simple 0946cee1be
