Should he just close it out for the rest of the season? But now that the season is winding down and there is one of the worst seasons in franchise history, he has more time to start thinking about the future. It's always a tough question for players when deciding if they should continue playing as they see fit, but now that the NBA has announced a contract extension with Donald Sterling, it gets even tougher. So, let's take a look at what could have been done to decide that for this particular player. dd2bc28256
